Message from the Executive Director

2015 saw a year of continued transformational growth. The Gatehouse has been able to achieve much success on behalf survivors of CSA. The Partner’s Program, funded by the Ontario Trillium Foundation successfully completed its second year. The visual arts support group has received positive feedback and is continuing in partnership with Full Circle Art Therapy Centre. The Gatehouse is in the process of developing a families program.

The Healing Garden is coming along beautifully and we are now working towards the opening of a Labyrinth June 25, 2016.

The Gatehouse has been reaching out to community organizations to inform about Gatehouse programs, impart wisdom, and instill the importance of self-care. The continued development in the key areas of adult programs, as well as the Young Adult Program will remain a core competency of The Gatehouse. The Child Investigation Program continues to provide a safe place for children to disclose abuse and begin the healing process. The Gatehouse has been active in an Ontario school setting to help youth and children proactively reduce conflict, stress, and build skills to heal in the aftermath of trauma.

Regular drop in program on Sundays will continue, 2pm-4pm.

Over 120 participants took part in the 6th Annual Transforming Trauma Conference on April 29 sharing their collective wisdom to a highly receptive group looking for ways to transform trauma to triumph.

The Gatehouse continues to provide students from college and university the opportunity to complete field placement experience hours from various colleges and universities.

The Gatehouse Network International (GNI) website continues to be updated as students are continue in assisting with gathering information about international service agencies committed to helping survivors heal from childhood abuse trauma.
